

Virtual Innovation Labs

Innovation for Change

Latin America and the Caribbean Hub

Creative spaces where participants work together to design innovative solutions for social problems with a Design Thinking methodology. The team with the best idea receives a seed fund to implement its solution prototype.

Aw-Art

Artivist

Juan Dellacha (he/him)
Nationality: Argentinean
Buenos Aires, Argentina

Juan Dellacha is an Argentinean illustrator. He graduated from the University of Buenos Aires as a graphic designer and has been teaching Editorial Illustration in that career since 2017. He uses flat shapes with textures to create complex compositions with limited color palettes. His work is focused on editorial illustration, and he also illustrates visual assets for different brands and startups.
