

Dear colleague (dear Partner),

On 31 March, our new Minister for Foreign Trade and Development Cooperation, Liesje Schreinemacher, will join the World Café to gather input from the sector for her new Foreign Policy Note.

We are very excited about this event. It's an opportunity for all of us to meet the new Minister and reflect with her on the priorities for the coming years. Our input matters: the conclusions of the World Café will be included in the consultation report of the Ministry.

That's why we invite you to join us on 31 March. The Minister is looking forward to an open and lively discussion with broad participation from all stakeholders, and so are we!
